Clothing swap party

Starting this month are clothes swapping days at Uppåt Framåt. The designer duo *Bittra Britta* are taking their Eco concept from Andra Långgatan to fashionable Magasinsgatan this fall, to bring life in old clothes and make a party out of it! The rules are simple, just bring 1-3 garments with you and let the swapping begin. There will also be a bunch of handy people on spot to pimp the clothes up. If this wasn't enough for a fun night out we heard there will be new and energetic Dj's every time. First out is Dj Maz el Tov from Balkan beat party. Don't miss!

When: Starting 3rd of October, 21:00. Then once a month
